Telemecanique Sensors

Simply easy!™

Founded over 100 years ago, Telemecanique Sensors is specialized in sensors and sensor-related technology. As a global leader in the sensors business, we help our customers select the right technology to get the best performance and reliability from their machines.

Focused on 3 core values – **Simplicity, Proximity and Expertise** – we have become experts in factory automation sensors as well as specialists in demanding applications, making our customers' lives "Simply easy!"

Visit our website and discover our full offer on www.telemecaniquesensors.com

Telemecanique Sensors presents an expanded XU range of application photo-electric sensors to be embedded in automated lines for the packaging market segment. With their diverse technical characteristics, high performance and smart management capabilities, they are designed to address a wide scope of specific needs.

Sensor family per application

- > Marking detection
- > Very dark and light-absorbing object detection
- > Accurate detection
- > Colour object detection, from simple colour to very complex colour sorting
- > Transparent object detection, with or without reflector

Laser

Red light

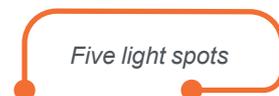

White light

Blue light

RGB

Five light spots

Choose the casing, connection type and size

- > Plastic or metal casing
- > Pre-cabled, with pigtail or connector
- > Miniature, sub-miniature and compact size

Enable smart sensors functions through IO-Link

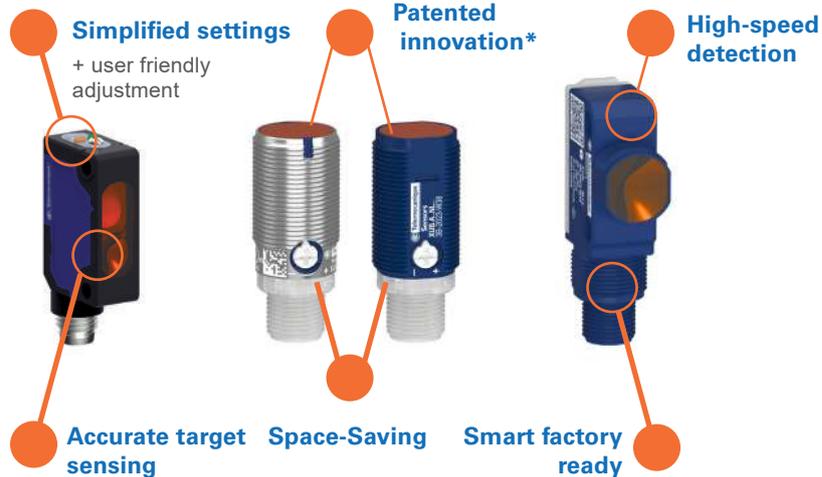

Smart devices communicate via IO-Link protocol

- > Install your new IO-Link sensor easily: automatic reading of the device identification file (IODD) and automatic detection of the sensor output mode
- > Automated parameter settings: configure the detection parameters
- > Extended diagnostics, with real-time information for optimised usage and maintenance

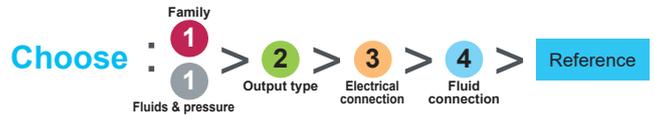

SPOTLIGHT: Photoelectric sensors XUM XUB XUN

*Small reflector placed on "thru beam" sensors, reaching up to 30m, enabling the user to align the sensors in less than 4 minutes (compared to 15 minutes previously). This reduces installation time by a factor of 3!

Compatible with

XUKCB*AYM12
XUK8ABPXM12

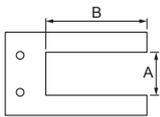

XUZASS

Mounting bracket
Supplied with 2x M3 screws

Compatible with

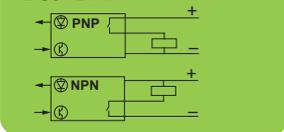

XUT7ABPX**
XUT8A*AY**
XUT9ABPX**

Forks: XUV Range
